

Join SAS!

Support Sassafras Audubon's local educational programs, outings, and conservation projects by becoming or renewing as a member of the Sassafras Audubon Society (SAS). Members receive Sassafras Audubon Society Membership, our bimonthly newsletter, *The Leaflet*, and also a 10% discount on selected items at Bloomington Hardware.

You can also support national conservation efforts by joining the National Audubon Society (NAS), and receive the *Audubon* magazine along with automatic chapter membership in SAS. However, since NAS dues primarily support national projects, we invite NAS members to also become members of SAS. As a member, you'll have the satisfaction of supporting your local chapter and its local projects in addition to national initiatives.

Sassafras Audubon Society Membership Application

Name: _____

Address: _____
